Communicating with you electronically

We will obtain your express or inferred consent to do so. Each electronic communication will be deemed to be received by you at the time it leaves our information system.

Cooling off period

You can contact us to return the policy within **30** days from the start date of your policy (including on renewal).

This is called the cooling off period. As long as you have not made a claim during this period, we will refund in full the money you paid for your policy (including GST if applicable), but you will not have any cover under this policy.

Alternatively, you can cancel your policy at any time while you are insured. When you do this, unless we tell you otherwise, you will have cover up until the date and time of cancellation. For more information, see 'What happens with cancellations' on page 72.

There are limits to what we will pay and some things that we don't cover

Like every insurance policy, there are exclusions, conditions and limits that apply to your policy. There are some things we don't cover whatever the circumstances, these are found in 'Things we don't cover' on pages 74 to 82.

Extra support

Sometimes your circumstances might mean you need additional support or assistance in dealing with us. This could be due to your physical or mental health, family or financial situation or cultural background. If you are comfortable, you can tell us about your situation and we will work with you to arrange support.

Exclusion for new policies

We do not insure you for bushfire, storm, flood or tsunami in the first **72** hours of your policy. Very limited exceptions apply. For full details see page 74.

Some words and terms in your policy have special meanings

Some words and terms used in this PDS have special meanings. See the 'Defined terms' section on pages 83 to 89. It's important to read this section because it can impact how your policy is interpreted. If a word does not have a special meaning then it just has its ordinary meaning.

How to make a claim

As soon as possible after the event that causes loss, damage or legal liability, you must follow the steps set out in 'Making a claim' on page 56.

Contact Terri Scheer Insurance on 1800 804 016, who will advise you of the claims process and assist you through the next steps.

Excesses that apply to your claim

An excess is an amount you pay towards the cost of your claim for each incident covered by your policy.

Sometimes you might have to pay more than one type of excess. The amount and types of excess are shown on your policy schedule or in this PDS.

Claim Type	Excess
Loss of rent	This excess is shown on your policy schedule.
Tenant damage	This excess is shown on your policy schedule and will apply to all claims for loss and damage under the insured event 'Tenant damage'.
Scorching or pet damage	This excess is shown on your policy schedule and will apply to all claims for loss or damage under the insured events 'Scorching' or 'Pet damage'.
Earthquake or tsunami	This excess is shown on your policy schedule and applies to all claims for loss or damage under insured event 'Earthquake or tsunami'. All loss, destruction or damage occurring within a period of 48 hours after an earthquake or tsunami is regarded as the one event.
'Additional benefits' in Section 1 or Section 4: Liability to others.	No excess applies.
Other claims	This excess will apply to all claims of a type not listed above. The amount of your excess will be shown on your policy schedule.
Unoccupied excess	If we have agreed to provide cover while the property is unoccupied, an increased excess applies to all claims made during this period, in addition to any other applicable excess. The amount of this excess will be shown on your policy schedule. See page 71 for more details.

When loss or damage results from more than one incident

If loss or damage results from more than one incident, then the excesses that apply for each applicable section of the policy will apply separately for each incident and you must contribute the total of all applicable excesses for each incident.

How to pay your excess

You can choose from the following options to pay your excess(es):

- ◆ you can pay the excess(es) directly to us before we finalise your claim;
- ◆ the excess(es) can be deducted from the amount we pay for your claim (if any);
- ◆ in some instances, the excess(es) can be paid to the appointed repairer or supplier.

We will not cover any legal or other costs that arise because of any delay in paying the excess(es).

When we will waive your excess

We will waive your excess and no excess will apply when:

- ◆ you are not responsible for the loss or damage and the incident was caused by another person, but not a person within the definition of 'You/Your', your family and not a tenant or guest of a tenant. You may be able to show this by providing a police report, expert reports, statement from a witness, and/or photographs; and
- ◆ you can give us the name and address of the person responsible, and if applicable the registration number of their vehicle.

If you cannot identify the person responsible and/or give us their name and address (and if applicable, their vehicle registration number) it means we will not be able to waive your excess. It does not otherwise impact the cover under your policy or your ability to make a claim.

Refer to the Landlord Preferred Insurance Additional Information Guide for further information.

How a claim payment is calculated

When we pay a claim we consider a number of factors in calculating the amount. These can include the:

- ◆ Amount of loss or damage or liability;
- ◆ Applicable excess;
- ◆ Applicable sum insured;
- ◆ Applicable limit for the insured event or benefit; and
- ◆ Terms and conditions of the policy.

How and when benefits are provided

Benefits are provided following the submission of a claim covered by your policy. After considering the factors in 'How a claim payment is calculated', and subject to your nominated choice of repairer/supplier (where applicable), we will either:

- ◆ Repair or replace your contents or building in accordance with 'How we settle building claims' on 48; or
- ◆ Pay the person to whom you are legally liable; or
- ◆ Pay you.

General Insurance Code of Practice

We support the General Insurance Code of Practice.

You can get a copy of the code from the Insurance Council of Australia website (www.insurancecouncil.com.au) or by phoning (02) 9253 5100.

Report insurance fraud

Insurance fraud is not a victimless crime. It imposes additional costs on honest policy holders and wastes the valuable resources of our community. This means it affects everyone.

We actively pursue fraudulent and inflated claims in order to keep your premiums as low as possible. Fraudulent claims will be investigated and may be reported to the police.

Help us fight insurance fraud by reporting:

- ◆ Inflated home repair bills;
- ◆ Staged home incidents;
- ◆ False or inflated home claims;
- ◆ Home fires which may be intentionally started, including by someone known to you.

To report suspected insurance fraud call: 1300 881 725.

Let's work together to reduce the impact of insurance fraud on the community.

About your sum insured

What is a sum insured?

The sum insured is the most you can claim for any one incident less deductions that apply, unless stated otherwise in this policy. The amount is shown on your policy schedule, and includes GST.

Make sure your sums insured are adequate

Underinsurance can expose you to serious financial loss if a claim occurs. It is your responsibility to select a sum insured for your building, rent and contents that meets your needs in the event your building or contents are damaged or destroyed.

To help you calculate the replacement value of the building, we provide a 'Home Building' calculator that you can access at our website www.terrischeer.com.au

You can also choose to seek the services of an architect, builder, quantity surveyor, valuer or other suitably qualified professional for an expert opinion.

Review your sums insured regularly

You need to ensure that the building, contents and weekly rent sums insured are accurate when you first insure them and each time you renew your policy. To ensure your building, contents and weekly rent sums insured are adequate it is important to review them regularly and ask us to change the sums insured when required.

If you over-insure

We will not pay more than the amount of the assessed quote to rebuild, repair or replace your building or your contents. Again, it is important to review your sums insured regularly. We will not refund any premium paid for over-insuring.

Adjustments on renewal

Terri Scheer will consider a range of factors that can influence the cost to rebuild the building or replace or repair your contents and may choose to adjust your sums insured shown on your policy schedule at the end of each period of insurance to account for various factors including inflationary trends. However, you still need to consider if your building and contents sums insured are sufficient for your situation.

GST

Limits and the most we pay amounts stated in this PDS and on your policy schedule include GST.

Information you need to tell us

Changing your policy

If you want to make a change to your policy, the change becomes effective when we agree to it, and when we give you a new policy schedule in writing showing the revised details of the insurance.

What we will do when you contact us

When you tell us about any of the above matters, an additional excess, additional premium or special condition may be applied to your policy. In some cases, it may lead us to reduce or refuse to pay a claim or it may mean we can no longer insure you and we will cancel your policy.

When you tell us that your property is no longer managed by a licensed real estate agent, we will cancel your policy and refund you a proportion of the premium based on the remaining period of insurance, less any taxes which are not refundable.

If you do not contact us

If you do not contact us when you need to, you may not be covered under your policy and it may lead us to reduce or refuse to pay a claim and/or cancel your policy.

Representation costs

If a claim for an insured event under Section 1 of this policy is covered, we will also pay up to **\$500** during any one period of insurance for the costs you incur as a result of your property manager:

- ◆ Representing you in court or a tribunal for the purpose of obtaining a court order against the tenant. This benefit only applies where your liability for this expense is specifically expressed in the managing agreement between you and the property manager; and/or

If a claim for an insured event under Section 1 of this policy is covered, we will also pay up to **\$500** during any one period of insurance for re-letting expenses that exceed the tenant's bond money.

This additional benefit will only apply if:

- ◆ Bond money, equivalent to a minimum of **4** weeks rent (in accordance with the Act) has been collected from the tenant; and
- ◆ The bond money has been fully exhausted.

This benefit will not apply:

- ◆ If the amount of bond money available has been reduced for any reason; or
- ◆ For any cost not covered as a result of a reduction applied by us in any section of the policy; or
- ◆ If the re-letting expenses do not exceed the tenant's bond money.

Conditions – Section 1

A claim under 'Section 1– Loss of rent' may be refused or reduced in accordance with the following conditions, or if the requirements set out have not been met or followed.

Rent is in arrears at commencement of policy

If the tenant's rent payments were in arrears in the **2** months prior to the commencement of the policy, then cover under Section 1 is not available unless the 'Rent arrears' clause has been met – refer to 'General terms and conditions' on page 69 for this clause.

Breach notices are not issued

We may reduce or refuse your rent arrears claim to take into account any part of the loss that results from you or your property manager:

- ◆ Failing to issue or delay in issuing rent arrears and termination notices to the tenant; or
- ◆ Failing to pursue or delay in pursuing a court or tribunal order for the eviction of the tenant following the expiry of the breach or termination notice.

The above processes should be followed in accordance with the Act.

Failure to repair or re-let

You or your property manager must demonstrate that steps have been taken to repair and re-let the property as soon as possible after the departure of the tenant or if damage is discovered (e.g. arrange for the property to be cleaned, promptly obtain repair quotes for any damage or contact us to help with the repair process), once repairs are complete arrange for the property to be advertised for reletting). If you fail to do so, cover under this 'Section 1: Loss of rent' will only commence from the point in time that it would have been reasonable to have repaired any damage and attempted to re-let the property.

Delaying repairs

You must not delay in commencing or carrying out any repair or rebuilding work (e.g. you delay in lodging a claim, obtaining repair quotes or in arranging repairs once we have advised you to). We will reduce the amount for your claim under Section 1 to take into account any loss of rent that results from your delay.

Market conditions

This policy does not cover your inability to rent the property due to adverse market conditions. If none of the insured events covered by Section 1 have occurred and the conditions of the rental market result in a vacancy period between tenancies, the policy will not cover that loss.

Alternate accommodation

Section 1 does not cover alternate accommodation costs for the tenant as a result of the property becoming untenable for any reason.

Vacant at time of loss

Cover for the insured events 'Untenantable (building)', 'Untenantable (contents)' and 'Prevention of access' in Section 1 of this policy, will only apply when:

- ◆ The property was tenanted immediately prior to, or at the time of it becoming untenable or when access was prevented; or
- ◆ You can demonstrate that the property would have been tenanted in the period after the insured event, had the loss not occurred.

Basis on which claims are paid

Weekly rent

The maximum weekly loss of rent that is recoverable under this policy is the weekly rent sum insured shown on your policy schedule.

How we calculate the amount covered

Loss of rent is calculated using the lesser of:

- ◆ The weekly rent of the tenant in accordance with their current lease; or
- ◆ The weekly rent sum insured shown on your policy schedule.

Note: You cannot claim more than the amount of rent on the current lease.

For example, if the weekly rental amount on your current lease is **\$700** and the weekly rent sum shown on your policy schedule is **\$1,000**, a weekly rental amount of **\$700** will apply.

This is then multiplied by the number of weeks lost rent that you are entitled to under this policy.

This amount is then reduced by:

- ◆ Any bond monies left over after subtracting allowable re-letting expenses* in accordance with the Act; and
- ◆ Any break fee, which the tenant has paid under their lease; and
- ◆ Any applicable loss of rent excess shown on your policy schedule.

If the resultant amount exceeds the limit that applies to the insured event being claimed, it is then reduced to that limit.

*See 'Defined terms' on page 88 for the meaning of 're-letting expenses'.

Claims for more than one insured event

Where a claim is possible under more than one of the insured events in this Section 1, you may only claim under one of those insured events for any one period of loss of rent.

All of the conditions of the policy and the 'Things we don't cover' on pages 74 to 82 apply.

Benefit

Emergency Service damage

When you are covered for loss or damage under 'Section 2: Contents' we will also cover damage to your contents caused as a result of Emergency Service Personnel entering your property in connection with the insured event, up to **\$1,000** per claim.

Note: If the claim is for an insured event that is covered under both 'Section 2: Contents' and 'Section 3: Building (tenant damage)' of this policy, the maximum combined amount payable is **\$1,000** in total.

Benefit

Removal of damaged contents

When you are covered for damage to your contents under this Section 2, then we will cover the reasonable cost of removal of the damaged contents from the insured address.

Basis on which claims are paid

Limit of amount payable

The maximum combined amount we will pay under 'Section 2: Contents' and 'Section 3: Building (tenant damage)' during any one period of insurance is **\$60,000** or the combined contents/building sum insured shown on your policy schedule, whichever is more.

Contents in the 'open air'

Where cover is available under Section 2 for loss or damage to your contents in the open air, the maximum we will pay per claim for loss or damage to your contents in open air is **\$3,000**. Note: there is not cover for loss or damage to contents in the open air under insured event 'Storm or rainwater'.

How we calculate what we will pay

The terms, conditions, limits and exclusions of the policy will be considered when determining the amount of loss or damage that is covered.

This will be reduced by:

- ◆ Any available bond money from the tenant*; then
- ◆ Any applicable excess(es)**.

We will then apply the limit for the insured event (if applicable) to your claim and then settle your claim for the remaining amount. We will not pay more than the contents sum insured shown on your policy schedule.

*When your contents are damaged by the tenant you must use their bond money for re-letting expenses and rent arrears and then apply any balance to reduce the amount of loss or damage being claimed. We will not pay for loss of, or damage to, contents items that could have been, but were not, deducted from the bond money prior to making a refund of bond money to the tenant.

**Refer to 'Excesses that apply to your claim' on page 5 for the types of excesses and how they are applied.

How we settle contents claims

When your claim for loss, theft or damage to your contents is covered, your contents may be replaced, repaired or we may pay you.

How we settle will depend on the circumstances of the claim including the cost of repair or replacement, the type of item, the contents sum insured and any lower policy limits.

If the cost of repair or replacement exceeds your contents sum insured, you will be paid your contents sum insured.

You can obtain your own quote to repair or replace the contents. Where you choose not to obtain your own quote, we will obtain a quote from our supplier/repairer and this may be less than what it would cost you to arrange the repair or replacement in the market.

When we repair or replace your contents, we will try to find new materials to match undamaged parts. Sometimes this is not possible. See 'When we cannot match materials to undamaged parts' on page 42 for further details.

There are also specific terms for how we repair or replace Carpets and floating floorboards, Curtains, Furniture coverings and Manchester (See pages 40 to 41 for further details).

Repairing your contents

If the assessed quote from your repairer (or our repairer if you choose not to obtain a quote) and ask us to obtain a quote from our repairer is less than the cost of replacement, we will authorise the repairs. If you do not accept the offer to repair, we will pay you the assessed quote from your repairer if you obtain a quote from your repairer. Or when you choose not to obtain a quote, we will pay you the quoted cost from our repairer when our repairer can undertake the repair. If our repairer cannot undertake the repair we will pay you the reasonable cost.

Replacing your contents

If the assessed quote to repair is more than the replacement on a 'new for old' basis or if the contents item cannot be repaired, you have the option to accept a replacement on a 'new for old' basis. See page 41 for the meaning of 'new for old'.

If you do not accept the offer, you will be paid the value of the replacement item. This could be the item that you sourced or if you choose not to source the item and we will source it through our supplier network. If we source it, this may be less than what it would cost you to arrange the replacement in the market. We are able to secure supplier discounts from within our supplier network. If our supplier cannot source the item we will pay you the reasonable cost.

Pairs and sets

We do not pay for any special value a contents item may have as part of a pair, set or collection. Limited exceptions may apply for furniture coverings in certain circumstances (see 'When a covering cannot be repaired or replaced for a furniture item that forms part of a set' on page 40 for further details).

Carpets and floating floorboards

Carpet or floating floorboards will only be repaired or replaced from within the room where damage occurred – this could include carpet or floating floorboards within that room which are undamaged. We will not pay to repair/replace undamaged carpet or floating floorboards in other rooms to achieve a match with the carpet or floating floorboards we have repaired/replaced. (See 'When we cannot match materials to undamaged parts' on page 44).

Curtains

Curtains will only be repaired or replaced from within the room where the damage occurs.

Furniture coverings

If the covering of an item of furniture cannot be repaired or replaced by you or us we will pay you the reasonable replacement cost of furniture on a 'new for old' basis.

When a covering cannot be repaired or replaced for a furniture item that forms part of a set

If the covering of an item of furniture cannot successfully be repaired or replaced and it forms part of a set (or suite), we will treat the entire set (or suite) as a total loss.

Manchester

We will pay you the quoted cost of replacement on a 'new for old' basis.

When we settle contents claims we will not:

- ◆ pay more than the relevant sum insured or policy limit;
- ◆ pay extra to replace a contents item to a better standard, specification or quality than it was before the loss or damage occurred, except as stated in the meaning of 'new for old';
- ◆ fix or pay to fix pre-existing damage;
- ◆ fix or pay to fix a fault or defect,
- ◆ pay extra because you paid more for that item when it was originally purchased;
- ◆ pay for any decrease in the value of a pair, set or collection when the damaged or lost item forms part of the pair, set or collection. We pay only for the repair or replacement of the item which was damaged or lost (unless otherwise stated on your policy).

For contents and building claims:

'New for old' means:

- ◆ Rebuild, replace or repair with new items or new materials that are reasonably and readily available at the time of rebuild, replacement or repair from Australian suppliers.

New for old, regardless of age

- ◆ Rebuild, replace or repair regardless of age, with no allowance of depreciation.

New for old' does not:

- ◆ Include paying the extra cost of replacing or purchasing an extended warranty on any item;
- ◆ Mean of a better standard, specification or quality than when new.

Same type, standard and specification as when new

Your repairer or we will rebuild, repair or replace to the same type, standard and specification (but not brand) as when new. If the same is not reasonably available from an Australian supplier, items or materials of a similar type, standard and specification will be used. We can replace with a different brand.

Repairing or replacing damaged contents

Contents that are lost or damaged will only be repaired or replaced when the loss or damage is covered by your policy. Apart from the limited circumstances where we will repair or replace undamaged contents set out in 'When a covering cannot be repaired or replaced for a furniture item that forms part of a set' you cannot claim to replace undamaged contents.

When we cannot match materials to undamaged parts

If you, your supplier or our supplier cannot find new materials to match undamaged parts, new materials of a similar type, standard and specification that are reasonably and commercially available in Australia will be used. It may not be the same brand, line or product.

If you are not satisfied with the materials, you have two options before the repair or replacement commences:

1. You can pay the extra cost of replacing undamaged parts of your contents to achieve a uniform appearance with the materials that have been found; or
2. We can pay you the assessed quote of repairing or replacing the damaged contents items using materials that are the closest match available that has been quoted by your repairer. Or if you choose not to use your repairer, we will pay you the assessed quote from one of our suppliers based on the materials we have found. This quote may be less than what it will cost you to repair or replace the item. We are able to secure supplier discounts from our supplier network.

The terms, conditions, limits and exclusions of the policy will be considered when determining the amount of loss or damage that is covered.

This will be reduced by:

- ◆ Any available bond money from the tenant*; then
- ◆ Any applicable excess(es)**.

We will apply the limit for the insured event (if applicable) to your claim and then settle your claim for the remaining amount. We will not pay more than the building sum insured shown on your policy schedule.

*When your building is damaged by the tenant you must use their bond money for re-letting expenses and rent arrears and then apply any balance to reduce the amount of loss or damage being claimed. We will not pay for loss of, or damage to, building items that could have been, but were not, deducted from the bond money prior to making a refund of bond money to the tenant.

**Refer to 'Excesses that apply to your claim' on page 5 for the types of excesses and how they are applied.

How we settle building claims

We will aim for you to use your own builder to repair or rebuild the damage to your building. If you choose not to use your own builder to repair or rebuild the damage to your building we will use our builder to repair or rebuild the damage pay you the amount it would cost our supplier to repair or rebuild on a 'new for old' basis when our network supplier can repair or rebuild. The process for determining how the building claim will be settled is set out in 'When your builder does the repair or rebuild' and 'When a member of our network does the repair or rebuild'.

When your builder does the repair or rebuild

When a claim for loss or damage is covered and you obtain a quote from your own repairer to repair or rebuild the damage on a 'new for old' basis, you must provide it to us and we will review it. This will involve reviewing the quote to make sure it is appropriate and reasonable. This includes consideration of what is covered under your policy, the appropriateness of materials, repair method, labour and material costs and overall cost effectiveness. We may refer the quote to an assessor or loss adjuster, if required.

If the quote is appropriate and reasonable to complete the repair or rebuilding work that is necessary to resolve your claim, we will then pay you the amount of the quote. If it is not, the quote may be adjusted. This may include, adjusting the scope of the quote to reflect what is covered under your policy, adjusting the rates/parts quoted and/or adjusting the overall amount of the quote. We will then pay you the adjusted amount of the quote.

If the amount of the quote from your builder to repair or rebuild is more than the building sum insured, the damage will not be repaired or rebuilt. You will be paid the building sum insured.

When a member of our network does the repair or rebuild

When a claim for loss or damage to your building is covered, and you choose not to use your own builder to repair or rebuild the damage and you ask us to use our builder to repair or rebuild the damage, a member of our supplier network will prepare a scope of works and provide a quote on the cost to repair or rebuild your building on a 'new for old' basis.

Once the scope of works and quote is provided to us, we will arrange for it to be assessed. This will involve reviewing the quote to make sure that the quote is appropriate and reasonable for the scope of works. This includes consideration of the appropriateness of materials, repair method, labour and material costs and overall cost effectiveness.

If the amount of the assessed quote to repair or rebuild is more than the building sum insured, the damage will not be repaired or rebuilt. You will be paid the building sum insured.

If the assessed quote to repair or rebuild your building is less than or equal to the building sum insured, we will offer to have your building repaired or rebuilt (based on the recommendation of our builder).

If you accept the offer:

The builder that we or our loss adjuster arranges will complete the repair or rebuild based on a 'new for old' basis.

If you choose to not accept the offer:

You will be paid the amount of the assessed quote from the member of our supplier network to repair or rebuild on a 'new for old' basis. Note: this amount to repair or rebuild may be less than what it would cost you to arrange the repairs or rebuild with your own builder. We are able to secure supplier discounts from within our supplier network.

When we settle the building claim we will not:

- ◆ pay more than the relevant sum insured or policy limit;
- ◆ pay extra because you paid more for an item when it was originally purchased;
- ◆ pay extra to repair or rebuild the building to a better standard, specification or quality than it was before the loss of damage occurred, except as stated in the meaning of 'new for old' or unless stated otherwise in your policy;

- ◆ fix inherent defects, structural defects, structural faults and/or faulty/poor workmanship that are not covered by your policy ('Things we don't cover' on page 81);
- ◆ fix or pay to fix pre-existing damage.

Note: see 'New for old' on page 41 for further details.

Matching building materials

When we cannot match materials to undamaged parts

If you, your repairer or our supplier cannot find materials to match undamaged parts, the repair or rebuild will use new materials of a similar type, standard and specification to the damaged parts of the building when new and that are reasonable and commercially available in Australia and compliant with current building regulations, but only in the room where the loss or damage occurred. It may not be the same brand, line or product. This is subject to the clause below 'When we will pay extra in relation to undamaged parts' if we cannot find materials to match undamaged parts.

If you are not satisfied with the materials, you have two options before the repair or rebuild commences:

1. You can pay the extra cost of replacing the undamaged parts to achieve a uniform appearance with the materials we have found. See also 'When we will pay extra in relation to undamaged parts' on page 51 as there are some limited circumstances where we will pay extra to repair or replace undamaged parts; or
2. We can pay you the assessed quote of repairing or rebuilding damaged parts using materials that are the closest match available that has been quoted by your builder or if you choose not to use your builder, from one of our supplier based on the material we have found. This quote may be less than what it will cost you to arrange the repairs or rebuild within the building market. We are able to secure supplier discounts from our supplier network.

When we will pay extra in relation to undamaged parts

Only the part or parts of your building that actually sustained damage in an incident covered by your policy will be replaced. We do not cover the cost to replace undamaged materials.

However, if:

- ◆ new materials of a similar type, standard and specification to the undamaged materials are not reasonably and commercially available in Australia and compliant with current building regulations; and
- ◆ the amount of damaged materials that cannot be matched to the undamaged materials is more than **40%** of the total material required if all the damaged and undamaged materials were replaced,

then the cost to replace both the damaged and undamaged materials will be covered, but only in the room where the loss or damage occurred.

Example 1

8 fixed floor tiles are damaged by tenant damage and your claim is covered. New fixed floor tiles cannot be matched to the undamaged fixed floor tiles. We find fixed floor tiles of a similar type, standard and specification to the damaged parts of the building when new that are reasonably and commercially available in Australia. We offer to repair using the fixed floor tiles we have found. You accept the offer and we repair using the tiles we have found.

Example 2

As a result of tenant damage, 140 fixed floor tiles are damaged and the claim is covered by your policy. In this example, tiles of a similar type, standard and specification to the 160 undamaged tiles in the same room are not reasonably and commercially available in Australia.

Over 40% of the matching fixed floor tiles have been damaged, therefore we would pay the reasonable cost to replace all 300 tiles (140 damaged and 160 undamaged) on a 'new for old' basis. We would be entitled to keep the 140 damaged and 160 undamaged fixed floor tiles by way of salvage. (See 'Salvaged building and contents items' on page xx for further details). We would not pay the cost to replace any tiles located in a room other than where the loss or damage occurred.

How we deal with defects, faults and poor workmanship

There are different ways we manage defects, faults and poor workmanship during the repair or rebuilding process:

- ◆ if the building has a defect, fault or poor workmanship (see 'Things we don't cover' on page 81), the defect is not covered and we will not pay to fix it. This is the case whether you knew about the defect or fault (or not). For example, we would not fix structural posts, beams or load bearing walls that have been removed without taking into account structural engineering requirements;
- ◆ if a defect or fault (or poor workmanship) causes or contributes to loss or damage to the building, that resultant damage is not covered, but only if you knew about the defect or fault or should have reasonably known about it (see 'Things we don't cover' on page 81);
- ◆ if a member of our supplier network is unable to complete the repairs or rebuild damage covered by your policy (e.g. because a defect or fault or poor workmanship in any building component will not support the repairs) we will pay in accordance with 'How we settle building claims' on page 48 as if the building component did not have the defect or fault. This is the case whether you knew about the defect or fault (or not). For example, a defective load bearing wall will not support the repairs needed to the ceiling. We pay you the cost to repair the damage to the ceiling as if the building did not have the defective load bearing wall.

Salvaged building and contents items

If we replace or compensate you for the replacement value of an item, we then own the damaged or recovered item. If requested, we will need you to make the damaged or recovered item available to us.

Section 4: Liability to others

Making a claim

We understand experiencing loss or damage or having a claim made against you can be stressful.

Here's what to do:

- ◆ Make sure everyone is safe. For emergencies, call 000;
- ◆ Try to prevent further loss, damage or liability (e.g. if there is a broken window, arrange for it to be covered to prevent water damage from the rain);
- ◆ Report any theft and malicious damage to the police as soon as possible. Give them a list of all stolen or damaged items. Keep details of the date reported, name of the police officer, police station reported to and the report number. If the loss is expected to exceed **\$10,000**, then the police report number needs to be submitted with your claim;
- ◆ Contact us as soon as possible by calling 1800 804 016 or online. If you delay reporting your claim, we will not pay for any additional loss, damage or liability caused by your delay. When you contact us describe details of what has been affected by the event (e.g. carpet has been damaged by a tenant's iron). For electrical items, please have details about the make and model. If the damage to your property was caused by another person, please provide us their name and address, and if applicable, their registration number.

Actions you must take in the event of loss, damage or liability to others

What you must do:

In the event of loss or damage or an incident that has caused death or injury to other people or damage to other people's property you must:

- ◆ Allow us to inspect the damaged building and/or contents;
- ◆ Allow us to arrange for experts to assess the damaged building and/or contents and to quote on repair or replacement;
- ◆ Arrange for all contents to be moved and/or stored in order to facilitate repairs to your building;

- ◆ Provide us with a quote/s for repair or replacement if we ask for this;
- ◆ Provide us with copies of entry/exit and routine property inspection reports along with photographs to support a claim for damage;
- ◆ Provide us with any inspection report you might have obtained prior to purchasing your building;
- ◆ When requested, provide us with proof of loss, ownership and value;
- ◆ Provide us with information, co-operation and assistance in relation to the claim (including an interview in person or over the phone or giving evidence in court if required);
- ◆ Allow us, or a person nominated by us, to recover, salvage or take possession of parts of your building or contents when we replace or pay you the full sum insured or the total cost to repair or rebuild your building or contents. When we ask, you must send any items to us, or co-operate in our collection or retrieval of such items.

What you must not do

- ◆ Do not dispose of any damaged parts or items of your building or contents without our consent unless it is necessary for health and safety reasons;
- ◆ Do not carry out or authorise repairs without our consent unless you cannot contact us and need to make emergency repairs to protect your building or it is necessary for health and safety reasons;
- ◆ Do not wash or clean or remove debris from any area damaged by fire without our consent unless you need to do this to prevent further loss or it is necessary for health and safety reasons;
- ◆ Do not delay in arranging the repair or replacement of stolen or damaged items after we have given you the authority to do so. We will not pay any increased costs or expenses which result from your unreasonable delay in returning the property to a tenantable condition;
- ◆ Do not admit liability or responsibility to anyone unless we agree;

- ◆ Do not negotiate, pay or settle a claim with anyone else unless we agree;
- ◆ Do not accept payment from someone who admits fault for loss or damage to your building or contents. Refer them to us instead.

If you do not comply

- ◆ If you do not comply with 'What you must do' and 'What you must not do' we can reduce or refuse your claim and/or recover from you any costs and/or monies we have paid and/or cancel your policy.

Legal liability claims

- ◆ You must tell us about any incident that has caused an injury to others or damage to other people's property.
- ◆ You must also as soon as possible tell us about any demands made on you to pay compensation to others and any court actions or offers of settlement and send these to us.
- ◆ If you make a legal liability claim that is covered by your policy we can decide to defend you, settle any claim against you or represent you at an inquest, official inquiry or court proceedings. If we decide to defend you, settle any claim against you or represent you, then you must give us all the help we need, including help after your claim has been settled.

If we decline a claim or do not pay your claim in full

We will provide reasons for our decision to decline the claim or not pay it in full. We will send you written confirmation of our decision.

How to establish your loss

Establish an incident took place

When making a claim you must be able to prove that an incident covered by your policy actually took place. If you do not do this, we will not be able to pay your claim.

We may obtain the following from the police:

- ◆ Confirmation that you reported the incident;
- ◆ Details of any investigations they undertook.

You must give us authority to access these records, if we ask.

Describe your loss or damage

You must also give us accurate and full details of what was lost, stolen or damaged.

Proving loss, ownership and value

You must give us proof of loss, value and ownership of the items claimed when we request it. Allowing us, a repairer or an expert appointed by us, to look at what is damaged is usually all that is needed to prove your loss. Sometimes though we might ask you to produce a copy of the most recent plans, drawings or photographs of your building or contents, or other evidence that supports the extent of the loss you have suffered. Other types of proof include:

- A copy of the tenant's rental payment history, tenant application form and lease if the claim involves loss of rent, damage or theft by your tenant;
- Forwarding address and current contact details of your tenant;
- Rent arrears/termination notices issued to, or court orders issued against the tenant, under the Act;
- Evidence of dated advertising done to demonstrate your efforts to re-let the property;
- Proof of ownership (i.e. receipts, valuations, photographs, warranties or instruction manuals) for items which have been stolen or damaged;
- Itemised quotes to repair/replace damaged items. If we have appointed an assessor, they can assist with sourcing quotes if required;

- Invoices to establish the cost of re-letting expenses that were deducted from the tenant's bond money;
- Copies of entry/exit and routine property inspection reports along with photographs to support a claim for damage;
- Any court issued document, letter, claim, writ or summons, in relation to a claim, as soon as possible after you receive it.

For lost, damaged or stolen items that are no longer available for inspection (e.g. because they were stolen or destroyed in a fire) you must validate your claim by giving us details of when and where they were purchased and proof of ownership and value. The type of proof we might ask for includes proof of purchase (e.g. a sales receipt that has the item, description or code, a purchase price, date purchased and where the item was purchased) a valuation from a qualified professional valuer, original operating manual, manufacturer's box, certificate of authenticity, close up photograph and a full description of the item (e.g. brand, model etc).

We do not consider that a statutory declaration of itself is acceptable evidence of ownership and value.

If you are unable to substantiate your claim, we might reduce or refuse to pay your claim.

Actions we take when a claim is reported

When we receive a claim from you we will:

- ◆ Examine the circumstances to see if the loss, damage or liability is covered;
- ◆ Tell you if it is covered; and
- ◆ Investigate the claim for recovery potential.

If the claim is covered:

- ◆ We will tell you how the claim will be assessed, examined and paid and what further supporting documents you need to provide us; and
- ◆ You can choose how to pay your excess in accordance with your options under 'How to pay your excess' (see page 6); and
- ◆ We will deduct any bond money from your loss.

If we replace items you must:

- ◆ Assist us by giving accurate descriptions and specifications to us and suppliers.

If you do not wish us to replace items from suppliers we nominate, you may nominate another supplier but you must pay any additional costs incurred by us as a result.

Claim payments

Claims payments may be paid to:

- ◆ A supplier we have authorised to complete repairs or replacements; or
- ◆ A third party if you have incurred a legal liability; or
- ◆ You.

For the purposes of claim payments only, 'you' includes the policyholder and property owner as well as the current property manager who has been engaged (by way of a written management agreement) to manage your property.

Payments will be made to the party who submits the claim, unless otherwise notified in writing.

Contribution/other insurance

If at the time of any claim under this policy there are other insurances covering the property, then we will have the right to seek reimbursement from the other insurer(s) in respect of their proportion of any loss, damage or liability. You must give us all information and assistance we may reasonably require to do this.

Does a claim affect your cover?

If we only pay part of the building sum insured to you, your policy will continue for the period of insurance.

If we pay the full building sum insured to you, all cover under your policy stops on the day we pay or otherwise finalise your claim. There is no refund of premium.

If we pay part of, or the full contents sum insured, your contents sum insured is automatically reinstated and cover continues for the period of insurance at no extra cost. You should reassess your contents sum insured.

Our right to recover from those responsible

If you've suffered loss or damage or, incurred a legal liability as a result of an incident covered by this policy and you make a claim with us for that incident, then we have the right and you have permitted us to take action or start legal proceedings against any person or entity liable or, who would be liable to you for the recovery of your loss.

"Your loss" means your insured, underinsured or uninsured loss or damage or legal liability, costs, payments made and expenses in relation to the incident. Any action or legal proceeding we take will be commenced either in your name or in the name of any other person or entity that suffered your loss. We will have full discretion over the conduct and any settlement of the recovery action.

If you make a claim with us for your loss and you've already started action or legal proceedings against any person or entity liable or, who would be liable to you for your loss, then we have the right and you have permitted us to take over and continue that action or legal proceeding.

Where your loss forms part of any class or representative action which hasn't been started under our instructions, we have the right and you permit us to exclude your loss from that class or representative action for the purpose of us including it in any separate legal proceedings which are or will be started under our instructions.

You must provide us with all reasonable assistance, cooperation and information in the recovery of your loss.

This assistance may include:

- providing a more detailed version of events, which may include completing a diagram or statement/affidavit;
- providing us with any documents required to prove your loss;
- providing copies of any photographs or footage of the incident available;
- lodging a police report or obtaining relevant documents, such as completing and lodging an application form to obtain records from the police, fire and rescue, councils and other entities (when we cannot lodge one);

- attending court or meetings with our legal/other experts (only if required);
- providing evidence and documentation relevant to your claim and executing such documents, including signed statements and affidavits which we reasonably request.

We will pay for the cost of filing the police report and relevant searches to locate the third party. We will cover the costs you incur when having to attend court up to **\$250** in total per claim.

You must not enter into any agreement, make any admissions or take any action or steps that have the effect of limiting or excluding your rights and our rights to recover your loss, including opting out of any class or representative action, unless we have given you our prior written agreement. If you do, we may not cover you under this policy for your loss.

How we settle claims – some examples

These are examples only of how a claim payment might be calculated and are not part of your policy. You should read them only as a guide. Every claim is considered on an individual basis because every claim is different. Please note:

- ◆ all amounts are in Australian dollars and are GST inclusive;
- ◆ all examples assume you are not registered for GST; and
- ◆ the excess amounts stated are examples only and may be different to the excess(es) under your policy. Refer to your policy schedule.

Example 1: Loss of rent – absconding tenant and re-letting expenses in excess of the bond

Your weekly rent sum insured is \$500 per week. Your tenant, 6 months into their 12 month lease, breaks their lease (and absconds from the property). When your tenant absconded the property they owed 8 weeks rent. An additional 15 weeks rent is lost until the date that the property is re-let. The rent is \$200 a week, the bond is \$800 and cleaning costs of \$1,400 are also owed by the tenant under the terms and conditions of their lease.

Your policy schedule shows that no excess applies for loss of rent claims.

Example 1

Rent owed by tenant	\$4,600	In this case 23 weeks unpaid rent at \$200 per week is owed.
Less bond money	\$0	You are required to apply any available bond money to the claimed loss, once any other re-letting expenses that the tenant is liable for have been paid. In this instance the \$1,400 cleaning costs exceeded the \$800 bond, meaning there was no bond money left over to apply to the loss of rent.
Loss of rent covered by your policy	\$4,000	The amount the tenant owes for unpaid rent is \$4,600. Under 'Section 1: Loss of rent', you are covered for rent that tenant is liable for when they break the lease until the property is re-let. The 20 week loss of rent limit for an absconding tenant applies. In this case the limit is 20 weeks at \$200 per week.
Re-letting expenses in excess of the bond	\$500	Given the loss of rent claim is covered (up to the limit) and the bond money exhausted on other tenant related costs first, we also pay up to \$500 per period of insurance for costs relating to re-letting expenses that exceed the tenant's bond money. In this instance there was \$600 of re-letting expenses that exceeded the bond money (\$1,400 cleaning costs, less \$800 bond). We apply the limit and pay \$500.
Total claim payable	\$4,500	We pay this amount directly to you.

Example 2: Loss of rent - default by court order plus representation costs

Your tenant is on a periodic lease and is evicted by court order due to non-payment of rent (defaulting tenant). The tenant owes 7 weeks rent in arrears when they vacate. The weekly rent is \$300. The bond is \$1,200 and re-letting expenses are \$1,000.

Your property manager has also charged you \$300 to attend the court hearing and a further \$300 was incurred for the bailiff/sheriff to evict the tenant.

Your policy schedule shows that no excess applies for loss of rent claims.

Example 2

Rent owed by tenant	\$2,100	In this case the tenant is liable for the 7 weeks rent owed up until the date they vacated (as a result of an eviction order) – 7 x \$300 per week = \$2,100. Note: The eviction of the tenant terminates their lease, so they are not liable for any additional rent beyond the date they vacated.
Less bond money	-\$200	You are required to apply any available bond money to the claimed loss, once any other re-letting expenses the tenant is liable for have been paid. In this instance \$1,200 bond money less \$1,000 re-letting expenses = \$200 bond money which is deducted from the rent owed.
Loss of rent covered by your policy	\$1,900	The amount the tenant owes after applying the available bond money is \$1,900. This is within the 20 week limit applicable to claims for 'Defaulting tenant (by court order)'.
Representation costs	\$500	You are covered for costs you incur for your property manager to represent you in court for the purpose of obtaining an order against the tenant. A \$300 sub limit per claim also applies for bailiff/sheriff fees. Total representation costs incurred in this case are \$600. The limit of \$500 applies.
Total claim payable	\$2,400	We pay this amount directly to you.

Example 3: Tenant damage

You have evicted the tenant by court order due to non-payment of rent. The tenant vacates owing 6 weeks rent and has damaged the property to the extent that it is untenable. A claims assessor appointed by us has inspected the damage and reports that the property has sustained the following loss and damage:

- ◆ 3 doors have been kicked in – \$1,000 to repair;
- ◆ 4 walls were damaged due to use of picture hooks – \$500 to repair;
- ◆ Lounge room carpet was damaged by a drink spill – \$1,200 to replace;
- ◆ 8 walls were noted as dirty/ marked – \$600 to repair;
- ◆ Bedroom 1 carpet was stained by paint, however this was noted on the property condition report when the tenant moved in – \$500 to replace;
- ◆ General cleaning costs - \$1,200;
- ◆ Damage to flyscreen door caused by dog clawing at mesh – \$450 to repair;
- ◆ Damage to laundry skirting boards by dog chewing them – \$400 to repair.

The weekly rent was \$300 and the bond money held was \$1,200.

The repairs take 3 weeks and, after attempts are made to find a new tenant, a new tenant moves in 4 weeks after the repairs are completed. The excess for tenant damage of \$500 and the excess for pet damage of \$250 applies.

Your policy schedule shows that no excess applies for loss of rent claims.

Example 3

Non-claimable damage (paint damage to carpet in bedroom 1)	\$0	As the carpet damage in bedroom 1 was noted on the property condition report prior to the current tenancy beginning, it is not covered as tenant damage and it is not deducted from the current tenant's bond. We also do not cover the cleaning costs under this policy.
Tenant damage (contents) - Lounge room carpet	\$1,200	Our assessor has determined that lounge room carpet was caused due to tenant damage to the amount of \$1,200. This is covered under 'Section 2: Contents'.
Tenant damage (building) doors and wall damage	\$1,500	3 kicked in doors and the 4 walls damaged by picture hooks were caused due to tenant damage. The total repair cost of this damage is \$1,000, plus \$500 which equals \$1,500.
Less Tenant damage excess payable	-\$500	You choose to pay this directly to us.
Subtotal (1)	\$2,200	
Pet damage	\$850	Our assessor has determined that the that the repairs to the flyscreen (\$450) and laundry skirting boards (\$400) were as a result of pet damage and that the total repair cost of \$850 is appropriate and reasonable.
Less Pet damage excess payable	-\$250	You choose to have this amount deducted from your claim.
Subtotal (2)	\$600	
Loss of rent covered by your policy (court order-arrears)	\$1,800	6 weeks rent in arrears at \$300 per week equals \$1,800.

Loss of rent covered by your policy (untenantable-building)	\$1,500	As your property becomes untenantable for a minimum period of 7 days due to tenant damage, and it took longer than 2 weeks after the property is tenantable again to find a new tenant, we pay 5 weeks loss of rent. Repairs took 3 weeks (\$900 lost rent) and we cover 2 of the 4 weeks it took to re-let the property after it became tenantable again (\$600 lost rent). Therefore, the total payable is \$1,500.
Subtotal (3)	\$3,300	Loss of rent (arrears) plus loss of rent (untenantable).
Re-letting expenses in excess of the bond money	\$500	In this instance the bond was \$1,200 and the re-letting expenses were \$1,800 – made up as: <ul style="list-style-type: none"> ◆ \$1,200 cleaning costs; ◆ \$600 to repair dirty/marked walls, which were deemed to be caused by poor housekeeping and not due to the insured event tenant damage. <p>The re-letting expenses exceeded the bond money by \$600 and we apply the limit and pay \$500 under 'Section 1: Loss of rent'.</p>
Total Claim payable	\$6,600	We pay this amount directly to you.

Example 4 - Legal liability

You have a permanent tenant in the insured address. Your tenant has made a claim against you for the amount of \$10,000 arising from an injury they sustained when they tripped over a large crack running across the driveway of the insured address. It is determined that you are liable for this amount.

Example 4

Liability for injury	\$10,000	It is determined you are liable for this amount.
Total Claim Payable	\$10,000	We pay this amount directly to the tenant.

General terms and conditions

About your premium

The amount you pay for this insurance is called the premium. The premium includes any applicable GST, stamp duty, other government charges and levies that apply. The premium will be shown on your policy schedule as the annual premium.

The amount of the premium reflects our assessment of the likelihood of you making a claim and our costs of doing business. We use many factors about you and the building, contents and weekly rent to calculate the premium.

Refer to the Landlord Preferred Insurance Additional Information Guide for further information.

Paying your premium

You must pay the premium by the due date to get this insurance cover. We will tell you how much to pay and when payment is due on your policy schedule.

You can pay your premium in one annual payment by cheque, MasterCard, Visa or BPAY.

If you make changes to your policy details, it may affect the premium you need to pay for the remaining period of insurance.

Late annual renewal payments

If you do not pay the premium due on renewal by the due date, you have no cover from the due date.

Important conditions

Cover provided by this policy is only applicable where:

- ◆ Your property is managed by a property manager; and
- ◆ For permanent tenancies, there is a lease in place between you and the tenant. This lease must fall within the guidelines of the Act; and
- ◆ The property is used principally and primarily for residential rental accommodation; and
- ◆ No section of the property is occupied by you whilst the property is being tenanted; and
- ◆ The property is no more than **2** acres in size, unless you have notified us of a larger property and we have agreed in writing to insure this larger property.

Actions and advice by or from your property manager

- ◆ Any notification, advice or discovery made to or by your property manager is considered to have been made to or by you;
- ◆ Any action taken or that should have been taken by your property manager is considered to be an act or omission by you.

Joint policyholders

When you insure the property in the names of more than one person, and all of those people are named insureds on your policy schedule, each of them is a joint policyholder and is able to request changes and otherwise deal with the policy. The reason for this is that these joint policyholders each have an interest or ownership in the building and/or contents.

We will treat a statement, act, omission, claim, request or direction (including a request to change or cancel your policy) made by one policyholder (either before the purchase of this policy or during the period of insurance) as a statement, act, omission, request or direction by all policyholders.

There are, however, some exceptions to this.

During the period of insurance, we might ask all joint policyholders before we action a request or direction in relation to your policy (e.g. before we cancel your policy, reduce your cover or remove another policyholder). This way we can help protect the interests of all policyholders.

Conduct of others

When we consider a claim under this policy, we will have regard to any prejudice suffered by you or any other person entitled to benefit under this policy in relation to that claim, caused by mental illness of, substance abuse and/or an act of violence or intimidation by, another policyholder or person entitled to benefit under this policy. In doing this, we may meet the claim when we are not legally required to do so. If we do, we will limit the claim in relation to the person claiming to an amount which is fair in the circumstances.

Rent arrears

If the tenant was in rent arrears either at the commencement of the initial period of insurance you held this policy with us or in the **2** months prior to that time the following condition applies:

- ◆ Cover will be limited to 'Section 2: Contents', (but excluding tenant damage) and 'Section 4: Liability to others' of this policy.

If the tenant subsequently brings their rental payments out of rent arrears for a period of **two** consecutive months, then these limitations not apply from the end of that two month period, or the date of the commencement of the initial period of insurance, whichever occurs last.

Bond monies

Your policy will operate on the basis that bond monies equivalent to at least **four** weeks rent have been collected.

This applies regardless of whether a full bond has been collected.

In the event of loss of or damage to your property caused by the tenant, you must use the bond money to reduce your loss. If you have voluntarily returned the bond money to the tenant, and you subsequently lodge a claim for loss of or damage to your property, we will reduce any amount we pay by the amount of prejudice we have suffered as a result of your actions.

Unoccupied properties

When the property is unoccupied, we will not provide cover under 'Section 1: Loss of rent', 'Section 2: Contents' and 'Section 3: Building (tenant damage)' unless you have obtained our prior agreement to provide the cover prior to the event giving rise to a claim under one of these sections.

If we agree in writing to provide cover and a claim is made while the property is unoccupied, a higher excess will be applied. The amount of this excess will be shown on your policy schedule.

Unoccupied means that the property was vacant for the period of **90** days or more immediately before loss or damage occurred.

What happens with cancellations?

Cancellation by you

You can cancel this policy at any time. For each cover cancelled, you will be refunded the unexpired portion of the premium attributable to that property (including GST if applicable) less any non-refundable government charges. We will not give a refund if the refund is less than **\$10** (GST inclusive).

Cancellation by us

We can cancel your cover where the law allows us to do so. For each cover cancelled, you will be refunded the unexpired portion of the premium attributable to that cover (including GST if applicable), less any non-refundable government charges. We will not give a refund if the refund due is less than **\$10** (GST inclusive).

If we cancel your policy due to fraud, we will not refund any money to you.

How the Goods and Services Tax (GST) affects this insurance

You must tell us about the input tax credit (ITC) you are entitled to for your premium and your claim, each time you make a claim. If you do not give us this information or if you tell us an incorrect ITC, we will not pay any GST liability you incur.

Our liability to you will be calculated taking into account any ITC to which you are entitled for any acquisition which is relevant to your claim, or to which you would have been entitled had you made a relevant acquisition.

In respect of your policy, where you are registered for GST purposes you should calculate the insured amount having regard to your entitlement to input tax credits. You should, therefore, consider the net amount (after all input tax credits) which is to be insured and determine an insured amount on a GST exclusive basis.

This outline of the effect of the GST on your policy is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to your circumstances.

`GST', `input tax credit', `acquisition' and `supply' have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.
